

letters of fire

the Hebrew letters and the Kabbalah

Thank you for your participation in the « **letters of fire** » workshop.

THE PROGRAM:

We propose two full days of instruction, information, celebration, and sharing. The workshop will start each morning promptly at 9:30 AM. There will be coffee and tea available starting at 9:00AM. If you can arrive at 9:00AM, you will have the time to meet the other participants and to begin the day peacefully. With your help, we will finish by 6:00PM.

YOU WILL WANT TO BRING:

A sacred object: Please bring a small object, stone, picture, etc., something that you consider sacred.

Food and snacks: During pauses there will be coffee and tea available. You should bring the food that you need to maintain your energy through the day. Lunch break begins at 1:30PM. We encourage you to bring a packed lunch, since the break for lunch only lasts one hour. Please bring your own cup for hot drinks.

IN GENERAL:

We will begin promptly at 9:30am.

Some people are allergic to the scents in perfumes, hand-creams, make-up, etc., [even natural ones]. For the comfort of everyone, you are asked to limit your use of these products during the workshop.

I am delighted at the thought of spending two days of inspiration and transformation in your company.
